

# Get Together

The Youngbloods

**intro** D / / / | C / / / | D / / / | C / / /

**verse** D / / / D / / / D / / / C / / / C / / /  
Love is but a song to sing Fear's the way we die

D / / / D / / / D / / / C / / / C / / /  
You can make the mountains ring Or make the angels cry

D / / / D / / / D / / / C / / / C / / /  
Though the bird is on the wing And you may not know why

**chorus** G / / / A / / / D / / /  
Come on people now, smile on your brother, everybody get together

/ G / A / D / / / D / / /  
Try to love one another right now **(repeat chorus)**

**verse** D / / / D / / / D / / / C / / / C / / /  
Some may come and some may go We shall surely pass

D / / / D / / / D / / / C / / / C / / /  
When the one that left us here Returns for us at last

D / / / D / / / D / / / C / / / C / / /  
We are but a moment's sunlight Fading in the grass

**chorus** G / / / A / / / D / / /  
Come on people now, smile on your brother, everybody get together

/ G / A / D / / / D / / /  
Try to love one another right now **(repeat chorus)**

**verse** If you hear the song I sing You will understand (listen!)  
You hold the key to love and fear All in your trembling hand  
Just one key unlocks them both It's there at your command

**chorus**
